"I don't have my [engagement] ring because I'm getting it tightened, so I just put on some old rings that Jerry [O'Connell] gave me years ago. I was afraid that if I didn't have *something* on that finger, people would say, 'Ooh, trouble in paradise!'"

—*UGLY BETTY* costar Rebecca Romijn, on stepping out without her 6-carat canary-yellow Simon G. bauble.

Calista's Happy Home Life

She may be hard at work on ABC's *Brothers and Sisters*, but **Calista Flockhart**, 42, makes sure she spends plenty of time with the men in her life: boyfriend **Harrison Ford**, 64, and son Liam, 6. "If I'm working too much, I just complain a *lot!*" she says. "I fight for my time." And how is Ford handling her steamy scenes with **Rob Lowe**? Says Flockhart: "He's only a tiny, tiny, tiny bit jealous."

Funnymen Will Ferrell and Jon Heder, who star as the first male pairs ice skaters in *Blades of Glory*, get too close for comfort . . .

THESE ROUTINES REQUIRE A LOT OF CONTACT. DID YOU HAVE TO SET BOUNDARIES?

Heder: The contract said, "no [closer] than two centimeters." So it ended up being mostly [special] effects.

Ferrell: I had a restraining order against his crotch!

WILL, TELL US SOMETHING ABOUT JON THAT NOBODY KNOWS.

Ferrell: He has a twin brother.

Heder: Everybody knows that!

Ferrell: Really? Shoot. Well, his twin brother is really *mean*. Jon's nice, but this guy—he scares me. There, that's something.

AND JON, SOMETHING WE DON'T KNOW ABOUT WILL?

Heder: He doesn't grow facial hair. He never shaves. It's all on his chest.

Ferrell: True. I grow a chest beard!

PAUL RUDD, star of the Biblical dark comedy *The Ten*, on . . .

The hardest Commandment to follow: It's probably "Thou shalt not go swimming until at least 30 minutes after eating a meal." Wait, is that one? Sometimes I get the Ten Commandments mixed up with other sensible words of wisdom.

His nomadic life with wife Julie and son Jack, 2: They always travel with me. Things will change once

my son starts school. We'll just get on more planes.

Favorite karaoke songs: I recently sang "Ebony and Ivory" as Tom Waits. I was really well-received!

His trip to Texas's famed Salt Lick Barbecue: The food was really good, and we had a lot left over, so someone put it in the car. When we returned, it smelled like cold ribs—horrible. I can *still* smell that meat!
