Heating UP!

STEAMY GETAWAYS, WEDDINGS IN THE WORKS... THE SUMMER SPARKS ARE FLYING BETWEEN THESE SEXY STARS

HOT & HEAVY

Sofia Vergara & Joe Manganiello

Talk about inseparable. The *Modern Family* star, 42, and PEOPLE's Hottest Bachelor, 37, "have spent almost every day and night together," says a source, since they began dating last month. "They have the most intense chemistry." On a PDA-packed trip to Miami, Vergara introduced her new beau to family members at Makoto restaurant. Adds the source: "They really have to make an effort to not be all over each other." **Forecast:** High chance of "Get a room!"

TAKING IT SLOW

Bradley Cooper & Suki Waterhouse

Whether they're cheering at Wimbledon or dining at Eleven 79 restaurant in New Orleans, where Cooper spent a few days filming *Adam Jones*, the busy pair (who aren't engaged, says a source) make a point to find together time. It may get trickier: Waterhouse, 22, just joined the cast of *Insurgent*, while Cooper, 39, will star in *The Elephant Man* on Broadway. **Forecast:** Easy breezy does it.

Bradley Cooper and Suki Waterhouse Share a Cozy Dinner in New Orleans

While in New Orleans to film scenes for *Adam Jones*, Bradley Cooper also had an important agenda for his downtime: stopping in for dinner at one of his favorite local eateries, Eleven 79 – with girlfriend Suki Waterhouse in tow.

The pair, who were casually dressed, dined on veal parmesan and an Italian pasta dish at the upscale restaurant on Wednesday and "seemed like they were getting along fine," the restaurant's chef, Tyger Hale, told PEOPLE.

"Bradley was really nice," Hale added. "He agreed to pose for a picture with me when they came in."

The employee who served the couple said that PEOPLE's former Sexiest Man Alive "was having a good time," with Waterhouse, 22. After dinner, while they were waiting for their car and driver, Cooper, 39 – who's playing a bad-boy chef in *Adam Jones* – talked with Hale, saying he'd been to the restaurant before and loved the food. "He also asked where I was from, how long I'd been cooking and how long I'd been here," Hale said.
