

EVA LONGORIA PARKER & TONY PARKER

Who takes longer to get ready to go out?

TP: My getting-ready time is five minutes.

ELP: And for me, seven!

True?

TP: Nah, I give her, like, 30.

I like her best in jeans, a T-shirt and Hugs.

ELP: He means Uggs.

Eva, has Tony taught you any beauty tricks that you swear by?

ELP: Yes, actually! He uses this Elizabeth Arden Eight Hour Cream, and I use it on my lips when they're chapped.

How did you discover that product?

TP: From my mom.

ELP: His mom was a model.

Eva, what's the best compliment Tony has given you?

ELP: That his favorite look is when I wake up. Tony didn't even want me to wear makeup for our wedding photos. I said, "No, I cannot *not* wear makeup!" [laughs] I love you.

Tony, what's the best compliment Eva has given you?

TP: Well, she says I look beautiful all the time.

ELP: What's another compliment I've given you, Babe, other than beauty?

TP: That was the only one I want to share with the world.
